Those naughty, nasty, nifty housewives are back, with more XXX-rated suburban escapades than you can shake a big ol' strap-on at!

Taking the "holy" out of holidays (Halloween or Christmas), indulging in a little S+M/bondage involving a hot barbecue or an enema, enjoying (or enduring) golden showers, interrupting a game of croquet for some "special" hole-in-one action, these slightly older but still superhot MILF's will steal your heart... and your hard-on.

EROS Comix superstar Rebecca has turned in a record-breaking twelfth collection of all-new *Housewives at Play* pin-ups, each and every one executed in her trademark near-photo-realistic pencil style. You can almost smell the fresh-cut suburban lawns... as well as the hot, sweet, sweaty flesh of this latest batch of housewives, their friends, and their neighbors!
